

KAMLOOPS SYMPHONY

MUSIC SCHOOL

VIOLIN FACULTY POSITION

The Kamloops Music School has an immediate opening for a violin teacher to provide private instruction for students of all ages and abilities. Our faculty members are unable to accommodate the rapidly growing interest in violin lessons; there is strong potential for the right candidate to develop a large studio.

Our highly qualified faculty members work with students toward the achievement of their own goals. All students are encouraged to experience the joy of performing in groups and to participate in school recitals and festival competition. In addition, we offer preparation for conservatory examinations and post-secondary entrance auditions.

Minimum Qualifications:

- Bachelor of Music degree in Violin
- Violin teaching experience
- Performance experience

Interested violinists may also apply for playing opportunities with the Kamloops Symphony Orchestra.

Apply by email including a cover letter, CV and references to:

Kathy Humphreys
Executive Director
